

duyên và duy

It's amazing how one day someone walks into your life,
and suddenly, you can't remember how you lived without them.

all the shine of a thousand spotlights

all the stars we steal from the night sky

will never be enough

never be enough

towers of gold are still too little

these hands could hold the world but it'll

never be enough

never be enough

for me

never, never

never, never

never, for me

for me

You will find, as you look back upon your life,
that the moments where you have truly lived are the moments
when you have done things in the spirit of love.

How do I love thee? Let me count the ways.

I love thee to the depth and breadth and height my soul can reach.

For the two of us, home isn't a place.
It is a person.

And we are finally home

Our love is like a great song, never missing a beat and always in tune.

Together
is our favorite place to be
